Description	Art-No.																																																					
Ashtray porcelain	ASH-	75 mm																					X																															
Stainless steel thermo can	CAN-	70 mm																					X																															
Colour changing mug	CC-	80 mm																					X																															
Colour changing mug	CC-GLITTER	80 mm																					X																															
Ceramic candle holder, tea light holder	CDH-	80 mm																					X																															
Ceramic jar white with wooden lid	COOKIE	95 mm													X																																							
Ceramic mug	DINKY-	75 mm		X								X										X																																
Set of ceramic	DISP-	75 mm										X										X																																
Couple mug	DUO-	80 mm																				X																																
Enamel mug	EMAILLE-12-	80 mm		X			X						X									X																																
Enamel mug	EMAILLE-18-	90 mm																					X																															
Glass beer mug	GI-BK-	80 mm		X				X					X										X																															
Shot glass	GL-SG-1	50 mm						X															X																															
Shot glass	GL-SG-2	40 mm																					X																															
Glass mug	GL-TA-	80 mm		X																		X																																
Glass mug	GL-TAC-	80 mm		X									X									X																																
Tea light holder	GL-TL	70 mm		X								X										X																																
Eco-mug porcelain	HENRY	90 mm			X						X																																											
Espresso cup	ITALIA	56 mm								X																																												
Ceramic mug	JUMBO-	85 mm																					X																															
Ceramic bowl	KES- (132, 155, 180)																						X																															
Tapered ceramic mug	LATTE-12-	89 mm				X													X																																			
Tapered ceramic mug	LATTE-17-	88 mm			X																																																	
Tapered ceramic mug	LATTE-7-	80 mm				X													X																																			
Ceramic mug	LENA-	80 mm			X																		X																													</
