

SUBLIMATION

WHY WE ARE YOUR PARTNER

The finishing of promotional and gift items with sublimation continues to enjoy great popularity.

Sublimation not only impresses with its ease of learning, but also with the variety of new and innovative products that the market is constantly producing.

In this brochure, we have carefully selected a collection of product highlights that will inspire you and enrich your range.

Discover exceptional products that are perfect for finishing and offer your customers that extra special something.

As Europe's largest specialist dealer for transfer printing, we understand how important top-quality products, reliable service and comprehensive expertise are for your success. Our goal is to support you in your projects and help you to expand your business successfully.
